The remedy is to eat small, frequent meals and to avoid rich, fatty foods. Another common cause of stomach trouble is constipation. ELECTION LAW BILL IN SENATE MAKES RADICAL CHANGES

Pre-Primary Party Conventions to Name Candidates for State Offices Planned.

ALBANY, Feb. 22.—One Superintendent of Elections and pre-primary party conventions to select candidates for State wide offices are the features of the new general election law to be passed by the present Legislature. Senator Argenteau today introduced the measure.

The date of primary elections, under the new law, is set forward two weeks, making it the seventh Tuesday before election, instead of the fifth. It discontinues the practice of combining election districts into primary districts and primaries for all parties will be held in one polling place.

The circle under the party emblem is put back on the election ballot, thus devitalizing the Massachusetts Ballot law passed in 1913 by permitting the voting of a straight party ticket by a single cross mark.

Independent candidates may file petitions for any office or position in the State. A further clause allows traveling salesmen to register by affidavit. Immediate adjudication of all conflicts in party names or emblems by a court of review is another feature.

The three State Superintendents of elections are to be replaced by one Superintendent with one chief deputy and not more than ten principal deputies.

One central office is to replace the three now maintained. All election duties assigned to the Secretary of State are transferred to the State Superintendent of Elections.

"If the provisions of the new bill are adopted," said Senator Argenteau today, "a saving of at least \$250,000 can be effected. Nearly all of the material changes provide greater efficiency in the election machinery and simpler methods for the voter to exercise his franchise."

Voters registered in the same district the previous year will not be required to answer any questions except as to his name and address. This does not apply in the city of New York. Boards of election in all counties, except Greater New York, are abolished and a Commissioner of Election created in counties containing cities of the first, second or third class. The ballot is to be so arranged that the voter can vote a straight party ticket. Accompanying the bill introduced today was another measure by Argenteau referring to a vote of the people the question of whether the recommendations of the party conventions shall go on the ballot without petition. The calling of pre-primary conventions has met with a great deal of opposition and in some quarters it is held that if the names adopted by the conventions go on the ballot without petition, the primary law is worthless.

TAFT IS UPHELD BY HIGH COURT ON LAND WITHDRAWALS

Entry Claims Valued at Hundreds of Millions Annulled by the Decisions.

WASHINGTON, Feb. 22.—President Taft's withdrawal of oil lands in California and Wyoming in 1909 without empowering legislation was upheld today by the Supreme Court and entry claims of individuals and corporations valued at hundreds of millions of dollars were annulled thereby.

President Taft withdrew the lands as a conservative measure, and on June 25, 1910, Congress passed a law ratifying his action.

Oil corporations, principally, entered many tracts between the two dates and have resisted attempts of the Government to put them out. The Government defended the withdrawal, partly as being for preserving an oil supply for the navy.

Justice Lamar announced the Court's decision, from which Justices Day, McKenna and Vandewater dissented.

STATE DOINGS AT ALBANY.

Twin Babies Burned to Death.

MANSFIELD, Mass., Feb. 22.—The twin babies of Mr. and Mrs. Frank Wilk were burned to death in a fire that destroyed the Wilk home today. The infants were alone in the house at the time.

ALBANY, Feb. 22.—The State's "burden of taxes" in general and New York City's in particular should be lightened, is the opinion of Democratic Minority Leader Smith of the Assembly, expressed in a bill introduced today in the lower house. His measure would repeal the State law, providing State aid in the construction and upkeep of town and county roads. Smith declares his act's passage would save about \$2,000,000 a year to the State treasury.

The Assembly today voted to adjourn Friday, April 2. Majority Leader Kinnaman presented the resolution. Personally opposed to the plan, he acted as party leader. Last night's Republican caucus determined on this adjournment.

New York City's pensioners must not hold public service positions. If they do, they forfeit their pensions. Assemblyman Flanagan's bill with this effect today passed the lower House by a 99 to 16 vote.

TURNED DOWN, TAKES LIFE

Veteran Postmaster and Dog Show Judge, Unemployed, Turns on Gas.

Thomas Wright, a poultry fancier of Napamach, Ulster County, was found dead today in his room at the Hotel Cumtut at Fourth Avenue and Twenty-seventh Street. The gas in his room was turned on full. The police set his death down as a suicide.

For many years Wright had been a judge at the poultry show. Last year he had trouble with the management and when he appeared this year he was not employed. He waited over for the dog show as he is also an expert on hounds, but was again turned away. Though well known at the hotel, he registered there last night as "Thomas Rice."

HOW TO HEAL SKIN-DISEASES

A Baltimore doctor suggests this simple, but reliable and inexpensive, home treatment for people suffering with eczema, ringworm, rashes and similar itching, burning skin troubles.

At any reliable druggist's get a jar of resinol ointment and a cake of resinol soap. These will not cost a bit more than seventy-five cents. With the resinol soap and warm water bathe the affected parts thoroughly, until they are free from crusts and the skin is softened. Dry very gently, spread on a thin layer of the resinol ointment, and cover with a light bandage—if necessary to protect the clothing. This should be done twice a day. Usually the distressing itching and burning stop with the first treatment, and the skin soon becomes clear and healthy again.—Adv.
